

# Green Youth Award Program!

Sponsored by **The Sunset-Ridge Waterfront Alliance**

*In an effort to cultivate environmental stewardship within our community, the Sunset-Ridge Waterfront Alliance (SRWA) is requesting student submissions of projects, either individually or in groups, that promote a greener community!*

**WHAT:** Projects should fall into one of three categories:

<b>Artistic</b>	<b>Scientific</b>	<b>Activism</b>
**Example: A painting, drawing, or diorama of what a green environment looks like to you.	**Example: A science project that shows an environmental concept or plan.	**Example: Pictures or a YouTube documentary showing students cleaning up a park or neighborhood.
** These are examples only, you may create your own project submission as long as it falls into the above categories.		

***Projects will be judged on overall quality, inspiration & green-ness!***

**WHO:** Students from grades K-8 are eligible to apply.

**WHEN:** Deadline for submissions is: May 15th, 2009 (postmark)

Deadline by hand: May 18, 2009

**HOW:** Please send your submissions to:
